

# ON EVERY WORD MINISTRIES

**FEAR NOT?** You don't have to look very far to see the world is gripped by fear. The 24-hour news cycle does a pretty good job of keeping fear in the forefront and even fanning the flames. But there seems to be plenty of fuel for the fire: Disease. War. Economic woes. Division. Crime. Injustice. Persecution. Societal norms in flux. Morals turned upside down. Truth twisted. Evil emboldened. Sin rewarded. Trust shattered. The shadow of darkness and despair growing.

But it was into times such as these Isaiah spoke nearly 2700 years ago of the coming dawn of a Great Light and a New Hope: **"The people who walked in darkness have seen a great light; those who dwelt in a land of deep darkness, on them has light shone"** Isaiah 9:2. And this "Light" would be called **"Wonderful Counselor, the Mighty God, the Everlasting Father, The Prince of Peace"** Isaiah 9:6.

Take these words to heart and hope will arise as you celebrate the birth of Jesus anew. Fear not, and behold the dawn of redeeming grace: Immanuel - God with us! Now, be as bold and courageous as Isaiah and go and tell what you know to be true. The world is in desperate need of some good news.

**JARS OF CLAY** What a timely and needed reminder this presentation has been to the body of Christ! To live in all the fullness Jesus recreated us to be, we must do battle every day against the lies of the enemy and remember who we are in Jesus. It has been incredible to do more live presentations in 2021, but God has also used Jars of Clay to minister to many of His children both online and through the 40-Day Journey (<https://oneeveryword.com/40-Days>).

**FARSI TRANSLATIONS** God opened this door through a friend of a friend and now we have 4 Farsi translations and voiceovers either in progress or completed that will be used by several Persian ministries in the Middle East. God is stirring hearts in that region and Jesus is the answer! We so are so grateful to partner with these ministries.

**SOUTH SUDAN** On Every Word is incredibly excited to be partnering with the ministry of Every Village. We have translated and recorded "Jars of Clay" into Dinka Rea - one of the Sudanese languages. Soon, the truth of who we are in Jesus will be spoken across their vast radio network in South Sudan! And there will be more to come!

**ANCHOR POINTS** In a world of increasingly shorter attention spans, our Monday Morning Anchor Points offer up a brief encouraging, challenging and thought-provoking statement tied to a verse or two in the Word of God. If you have not yet signed up for these free weekly text messages, just text the word "AnchorPoint" to 877-755-1450.

**ON THE HORIZON** For strategic reasons, we plan to continue creating spoken Word presentations that are around 5 minutes long. We are praying about doing our next one on the wisdom of not pursuing earthly kingdoms and building sand castles, but instead building upon the only sure foundation, the Rock of Jesus. Other topics we are considering include fear, healing, The Great I Am, generations and staying faithful in troubling times.
