

ON EVERY WORD MINISTRIES

A BLESSED CURSE *Can you believe the very first Christmas prophecy is found in a curse spoken by God Himself?* Sin and death just entered the world through the serpent's (Satan's) deception of Adam and Eve. But even as God curses the serpent, He also reveals His merciful plan of salvation. **For God ordained Christmas to reverse the curse.** Through Adam, we inherit the curse and are born into sin. How fitting our God of grace proclaimed the hope and power of Christmas even as He pronounced a curse for the sin of Adam! **"And I will make enemies of you and the woman, and of your offspring ('seed' plural) and her Descendant ('seed' singular); He shall bruise you on the head, and you shall bruise Him on the heel"** (Genesis 3:15 NASB). Yes, in the climax of this great supernatural battle, Jesus would be crucified, but through the Cross and the Empty Tomb, Satan would be utterly defeated! This Christmas, celebrate Jesus, but also bless others with the good news that the Promised Messiah has reversed the curse!

CORNERSTONE We are nearing the finish line for our newest spoken Word presentation "Cornerstone." Using Jesus' parable about building our lives on the Rock as our Foundation rather than the sand, this presentation uses Scripture to reinforce both Jesus' admonition to stay away from "the sand" and His encouragement to build our lives on "The Rock" alone - to walk by the Spirit and not by the flesh. Can't wait to share it with you in early 2023!

FORGIVENESS Our partnership with Every Village led their Executive Director, Andrew, and I to collaborate on a new spoken Word project specific to the greatest need in that region: forgiveness and reconciliation. Due to blood and tribal feuds dating back decades, forgiveness among brothers and sisters in Christ remains a significant challenge in their ministry. This new presentation will not only be broadcast, but also used by their South Sudanese pastors in dealing with this critical stumbling block used by the enemy among the people they serve.

SOUTH SUDAN Building on our partnership with Every Village, we have now translated, recorded and broadcast 4 of our spoken Word presentations across their radio towers to over 2,000,000 people in South Sudan. Besides this tremendous impact, their own staff have been awakened to and encouraged by the power of the Word alone.

NATIONAL CONFERENCES I had the privilege of sharing two spoken Word presentations at Cru's National Staff Conference in Milwaukee where the Word was an integral part of the forgiveness, reconciliation and refocus that took place during that week. In addition, I also spoke for a ministry who does want to be named because of their bold, 1st century-like work in several very high-risk countries. However, once again, God used His Word as a catalyst to further the urgent purposes to which He has called them. Truly, a humbling, rich privilege on both counts.

ANCHOR POINTS In a world of increasingly shorter attention spans, our Monday Morning Anchor Points offer up a brief encouraging, challenging and thought-provoking statement tied to a verse or two in the Word of God. If you have not yet signed up for these free weekly text messages, just **text the word "AnchorPoint" to 877-755-1450.**
