

# ON EVERY WORD MINISTRIES

## 2023 YEAR END UPDATE

### THE WORLD AT WAR

*Do you ever feel like you are living in a war zone? Well, I'm convinced the On Every Word team has been under enemy attack the past few months. Now, we've stood firm in the strength of His might, but the enemy has attacked the families of my team, critical ministry IT equipment, and even my mind and body.*

This has caused numerous trials, distractions, and delays. You might think I'm giving the enemy more credit than deserved, but there have been too many issues to simply shrug it all off. Obviously, there is much more to the story I could share, but all is well, God is faithful, and we are persevering by His grace.

When you look around, I know you can see it and sense it too – the extensive, supernatural activity of the powers of darkness warring against the redeeming, life-giving power of Jesus. Come to think of it, this is not too different from the war zone Jesus stepped into that very first Christmas, is it?

That's why Immanuel – God with us – the Prince of Peace – the Light of the World – JESUS came and that's why He is still with us. Fear not and keep following the Light!

**“The people living in darkness have seen a great light; on those living in the land of the shadow of death a light has dawned.”** Matthew 4:16 NIV

### PROJECT UPDATE

Our **Cornerstone** spoken Word project is 90% complete, but probably will not be released until January 2024. I can't wait to share it with you.

Our **Forgiveness** spoken Word project and partnership with Every Village should be completed in the first quarter of 2024. We are incredibly excited to see how God uses this in a powerfully redemptive way in South Sudan as He works forgiveness and reconciliation among the body of Christ.

Finally, our **25 Days of Christmas Prophecy** is being deployed daily through Christmas Day and I hope you journeying with us in both worship and wonder. If you're not yet signed up, please text the word “anchorpoint” (all one word) to 877-755-1450.

## DID YOU KNOW?

Neuroscience confirms the immense value of continuing to exercise our brain throughout our lifetime. Whether through learning new things or the many word, problem solving, and math games we can play to challenge ourselves and keep our minds sharp. These are certainly valuable, but consider the eternal value of adding Scripture memory to your workout. Hiding the Word in your heart is not only good for the body, but also the soul!

## JUST 12 MINUTES A DAY

The average person can read through the entire bible in about 75 hours – all 66 books, 31,000 verses and 774,000 words filled with the amazing Truths and Promises of God. If you do the math, that's only about 12 minutes a day. And January is a great time to begin!

## YOU CAN QUOTE ME ON THAT

“A Bible that's falling apart usually belongs to someone who isn't.” – C.H. Spurgeon
